各位参会代表:

欢迎您参加“2024 中国国际农化会议周”，组委会全体工作人员热烈欢迎您的到来，并竭诚为您做好各项服务工作，祝您在会议期间工作顺利、生活愉快、满载而归！

Dear Delegates:

Welcome to "2024 China International Agrochemical Conference Week (CACW2024)", CCPITCHEM will wholeheartedly for you to do best job in the service work, we wish you enjoy the conference.

会议注意事项

1. 参会代表凭签到码进入会场。
2. 请不要在会场内大声喧哗并配合将手机设置为静音。

为助推我国农化产业创新发展动能转换，赋能企业国际市场拓展，发掘行业细分领域新机遇，我会将于2024年3月13-14日在上海举办2024中国国际农化会议周(CACW2024)，同期还将举办第二十四届中国国际农用化学品及植保展览会(CAC2024)，届时将有2,000家展商共聚农化的世界，20,000家海内外企业共商世界的农化。

本届会议周将汇聚全球专家智慧，广邀海内外农化行业管理部门的领导，科研院所专家，知名企业高管，农化领域的登记试验单位及咨询公司资深人士，紧紧围绕全球农药产业现状、管理政策、发展趋势、进出口贸易、区域市场新机遇、本土化运作经验，肥料发展与贸易、肥料增效、新型肥料应用，生物农药、生物刺激剂、生物肥料等农用生物制品市场概况、新产品研发和应用，海外肥料品牌对接，农化产品相关法规解读及应对经验、现代农业科技发展和应用等议题为与会代表打造农化信息盛宴，促进全球农化行业及农业投入品国际化可持续发展。

China International Agrochemical Conference Week 2024 (CACW2024) will be held on March 13-14, 2024 in Shanghai to promote the transformation of the innovation and development pattern of the agrochemical industry, empower enterprises to expand the international markets, and explore new opportunities in the segmented sectors of the industry. At the same time, 24th China International Agrochemical & Crop Protection Exhibition (CAC2024) will be held, where 2,000 exhibitors will gather the agrochemical world and 20,000 domestic and foreign enterprises will discuss development of agrochemicals.

CACW2024 aims to merge global wisdom in the agrochemical industry by inviting leaders from China and global agrochemical official departments, R&D industry experts, corporate executives, as well as study units for registration and consulting firms (CRO & CRAO) specializing in the agrochemicals. The conference will delve into crucial topics such as the current status, management policies, import& export and development trends shaping in global agrochemical industry. A particular emphasis will be placed on exploring new opportunities in regional markets, sharing insights into successful branding operations, presenting an overview of the market landscape, fertilizer development and trade, fertilizer efficiency enhancement, application of new fertilizers, market overview of biological products used in agriculture, such as biopesticides, biostimulants, biofertilizers, new product development and application, docking of overseas fertilizer brands, featuring comprehensive interpretations of agrochemical regulations, development and application of Agtech to create information feast for the participants and promote the international sustainable development of agrochemicals.
